## PROFILE

I am a Freelance Web Developer & Designer with over 15 years of professional experience in the technology sector. I have worked on projects large and small, from corporate websites to small businesses & artist's websites. My skill set ranges from programming & web design to UI/UX solutions. I provide stylish, affordable, user-friendly websites that are equally efficient and affordable.

## PROFESIONAL EXPERIENCES

**DIGITALENVIE - Barcelona, Spain.** **2019 - PRESENT**  
**Front-end Developer & UI/UX Designer** **2003-2008**

I am a freelance front-end developer & UI/UX designer based in Barcelona. I specialize in building responsive websites using HTML & CSS. I focus on simple responsive designs that are customized to each client's specific needs.

**ISSI MEDIA SYSTEMS SLU - Barcelona, Spain.** **2008 - 2012**  
**Web Designer**

Web designer responsible for design, updates & usability of white label websites, banners & affiliate sites. I also worked on the new design, UI & UX for new white label templates and online store. Digital retouching & image editing with photoshop. I created an archiving system within the design department, creating a naming convention and library archive for design elements, documents, templates, content & an image and banner bank.

**PROXICOM / DIMENSION DATA - Paris, France.** **2000 - 2002**  
**Front-End Developer /Tech Lead**

Worked exclusively as a front-end developer on Renault's dynamic multi-lingual website. Created page templates & banners using DHTML, javascript & flash. Managing & import/export of multi-lingual content, images & scripts within Broadvision, PVCS and Microsoft Access. Created templates, mockups and site documentation. Involved in the image production and slicing using photoshop. Trained new employees on the site building process & standards.

**Clients: Renault**

**ADHOC / PROXICOM - Sausalito, California, U.S.A.** **1998- 2000**  
**Front-End Developer /Creative Technician**

Hand-coded various client websites & E-Commerce websites in HTML / DHTML, and integrated back-end code. Animated banners using Flash & Fireworks. Trained Toyota team in Teamsite, Art production and Q.A.

**Clients: Disney, Toyota, Oxygen, Sim City, Dayrunner, Moms On-Line.**

## EDUCATION

**Computer Programing & Design**  
**City College - San Francisco, USA**  
**1997 - 1998**

**B.A Degree in Fine Art**  
**L.S.A.D - Limerick, Ireland**  
**1986 - 1990**
